PRUDERY.

The practice of prudery is tolerably tages of wealth and refinement. The ancient, although the word itself issome- Divorce Court proves to us how frewhat modern, and comes from the same quently passion works as unrestrainedly derivation as prudent, namely from the in the breasts of peersses as of peasants. shocked by his language. tatin "Prudens," contracted from "provi- Yet she expects the victims of poverty dens," forseeing; and thus prudent is and profligacy, whose caresses were equivalent to wary, circumspect, dis- kicks, and their blessings foul oaths, bred "Whose life the church and scandal share

Forever in a pussion or a prayer." of Alexander Pope, and he replied:

> "Tisa Beldani been with wit and hearty seldom. Tree no Year'd like Miss Members 'Irs a virgin hard of feature, Old, and word of all good nature; Lean and freshil; would seem a see Yet plays the fool before she dies, To an ugly environ shrew,

Since Pope's time the word has be ome so common, owing, unfortunately, to the "overmuch nicety" of a great many, that there are no Miss Howes now who need to ask its meaning. And since those who commend the quality, chiefly belong to our sex; still, "virgins hard of Feature," or "Ugly envious shrews," they have been dubbed prudes, although really the specimens of both sexes are well-nigh equally divided. In this way two very expressive words have been added to our copions mother tongue. We wonder when they will become ob solete " Not until prudence drives prudery from the field, and the prude be ome as extinct as the dodo. As, how ever, both are still active, and particularly so of late, we venture to point out the evils that are caused by
